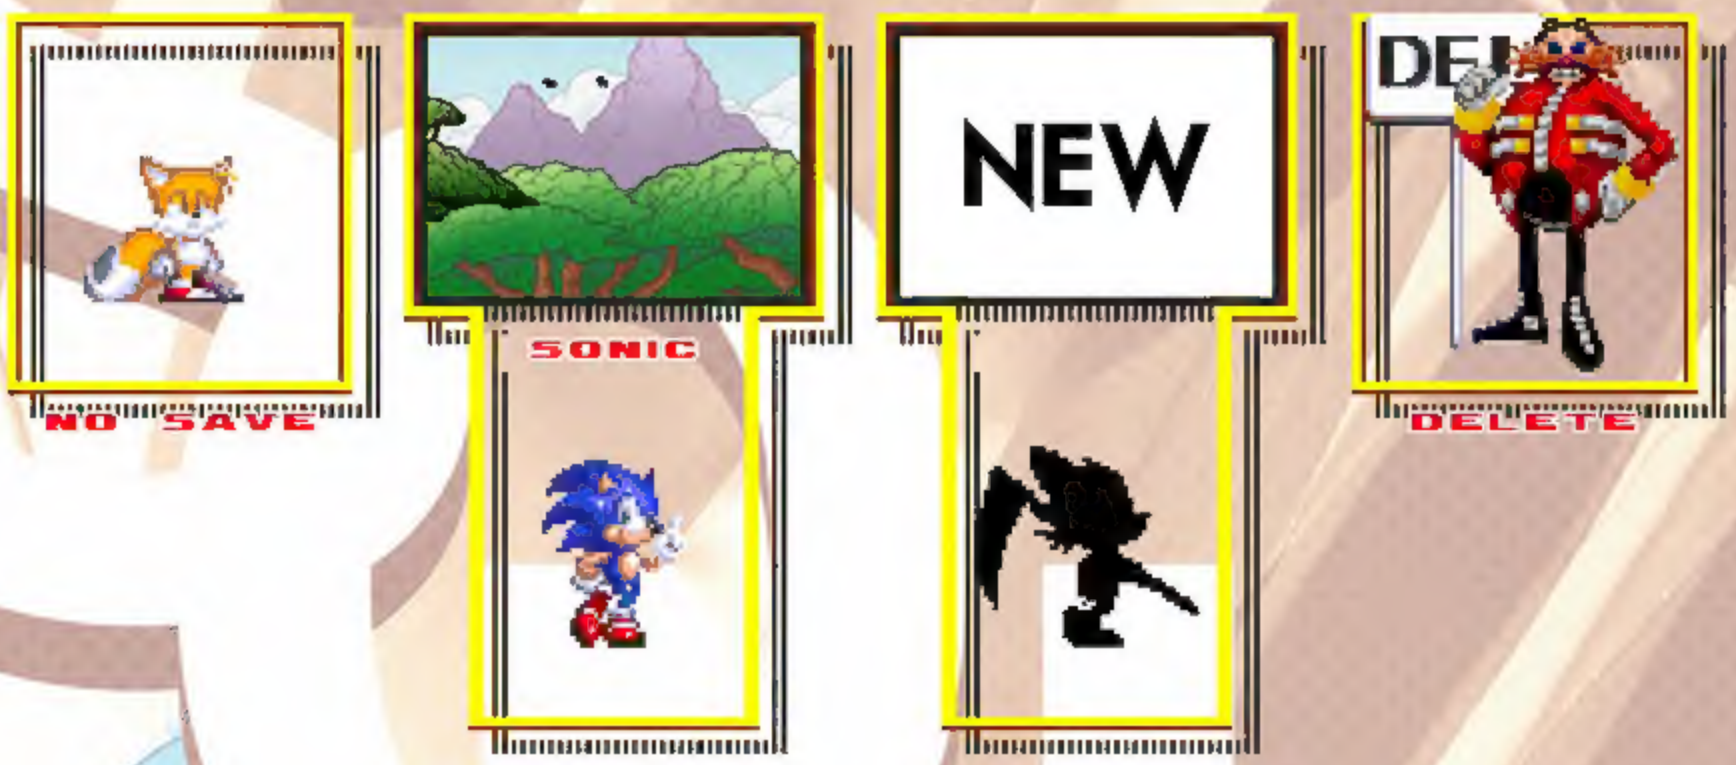
SONIC LEGACY | 11



WITH A GREAT POWER BESTOWED TO HIM BY FORCES UNKNOWN, SONIC HAS NARROWLY AVOIDED CERTAIN DESTRUCTION. THE ONLY SURE THING IS HOW UNCERTAIN THE SITUATION IS. SONIC'S UNCONSCIOUS FORM DROPS LIKE A METEOR BACK TO MOBIUS ALONGSIDE DR. EGGMAN'S SUPERWEAPON, THE DEATH EGG. AS HE PLUMMETS TOWARDS THE OCEAN HOWEVER, THE POWERS THAT BE HAVE OTHER PLANS IN STORE FOR THE TWISTED DUO. SONIC HAS AWAKENED A FORCE DEEPER WITHIN THAN HIS INSTINCTS. LEGENDS RISE FROM THE ANNALS OF HISTORY ONCE AGAIN...

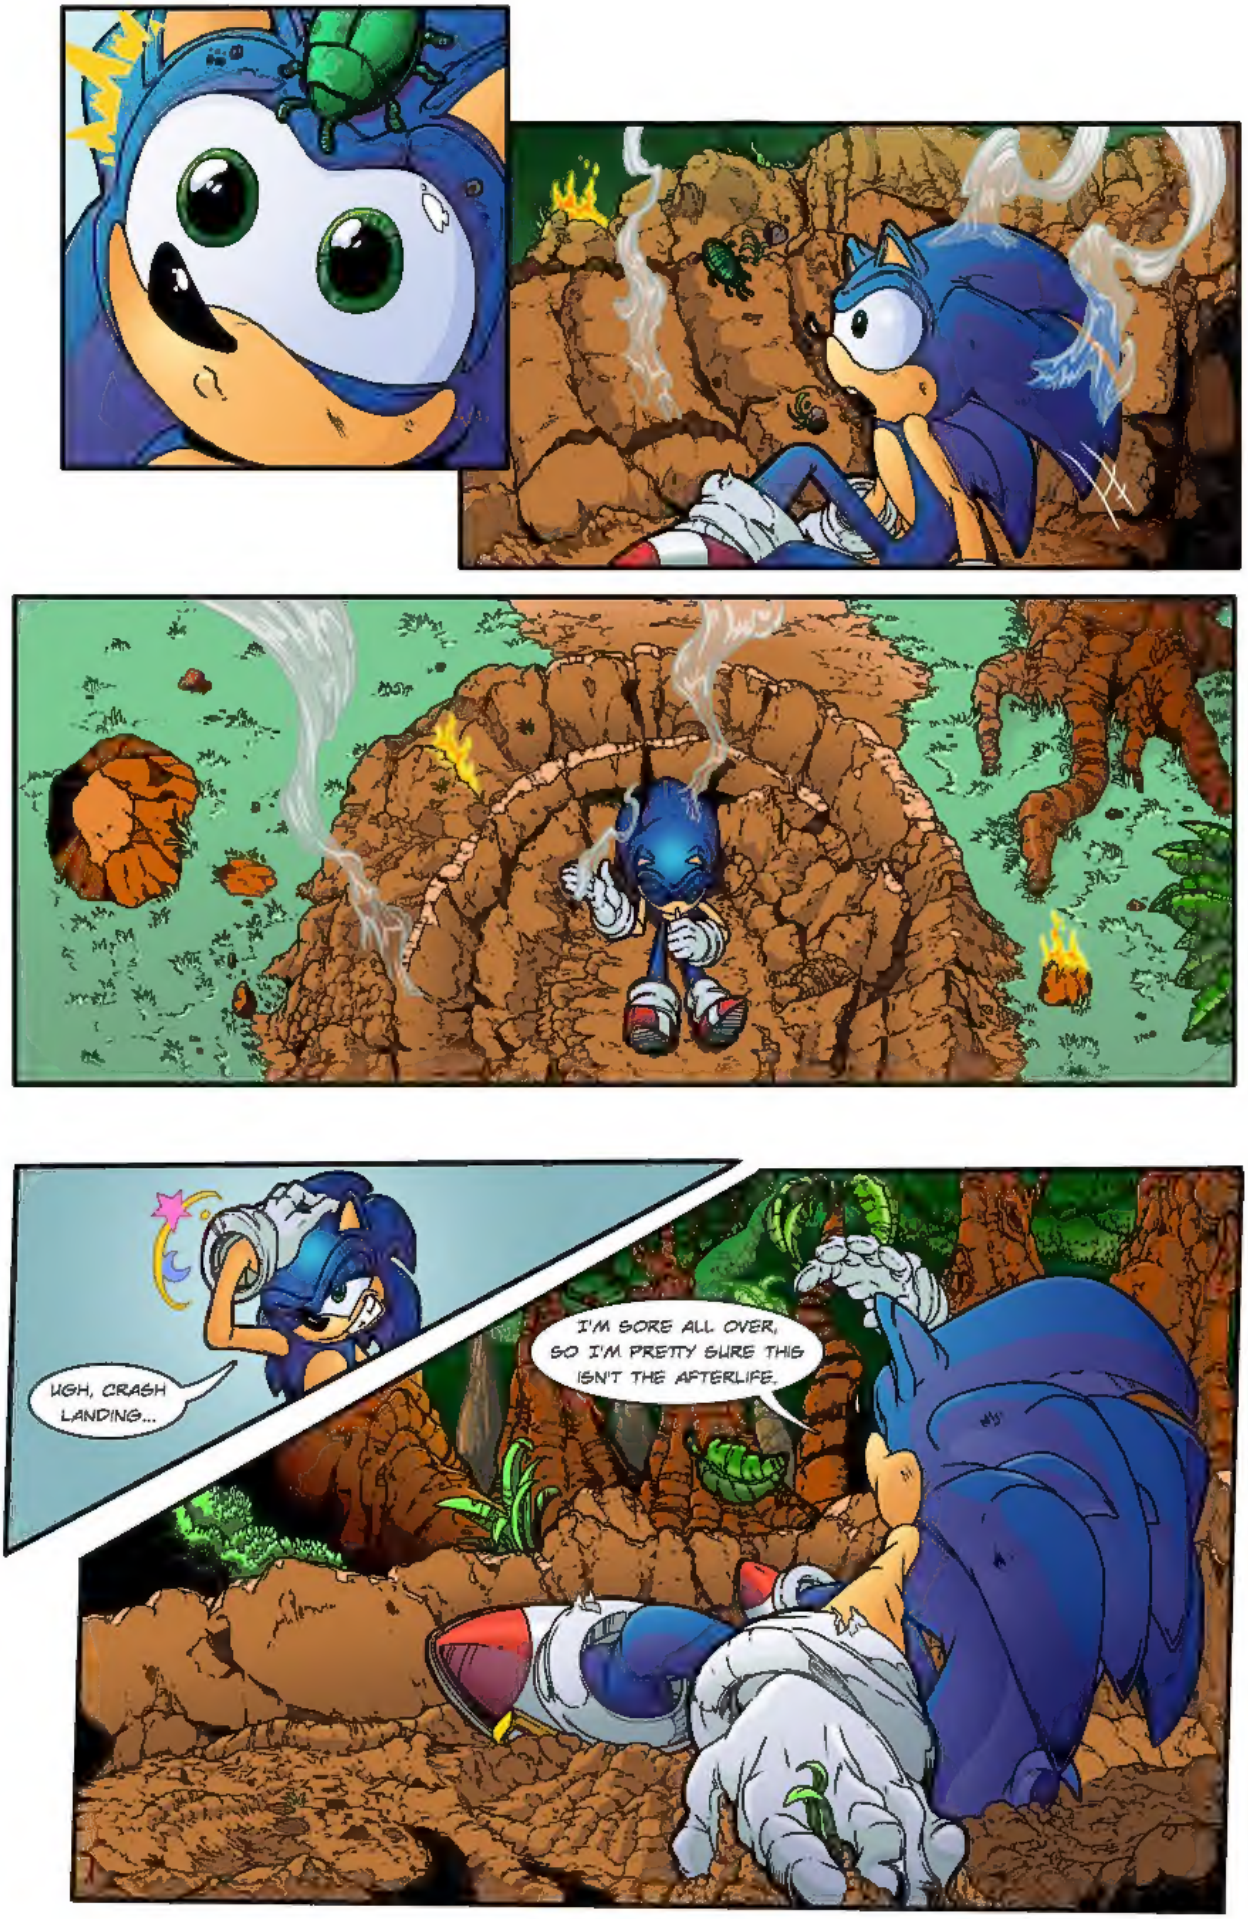
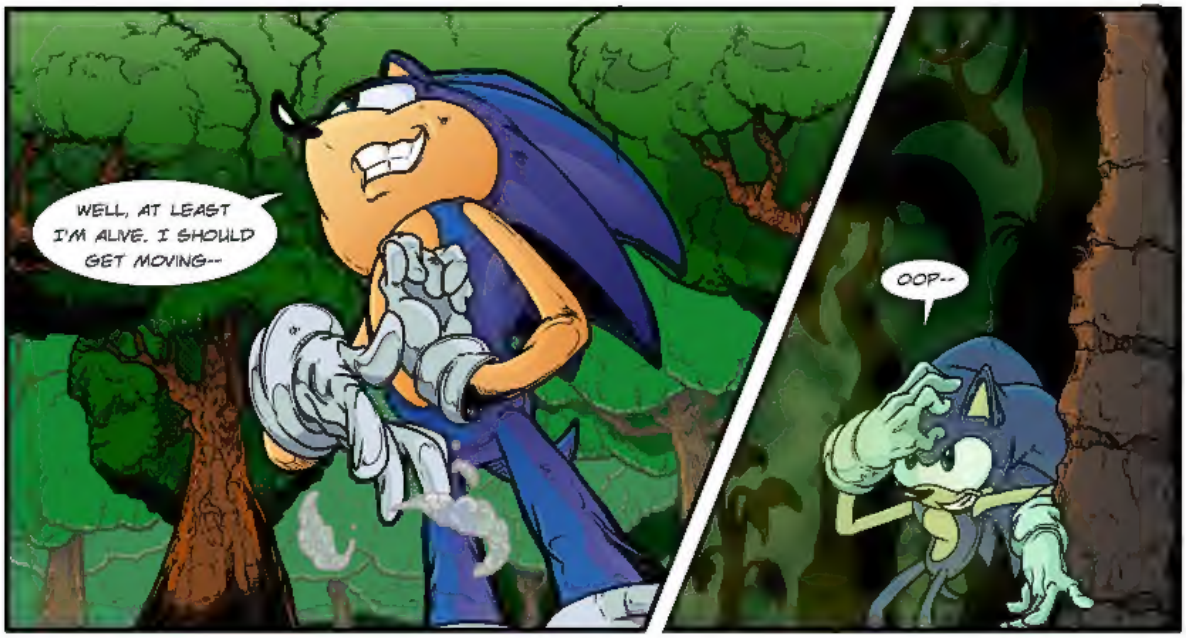
THE GIZOID--
MORE POWERFUL THAN--
NOTHING WAS LEFT OF HIM--

THE PRICE OF POWER.



UGH, CRASH LANDING...
I'M SORE ALL OVER, SO I'M PRETTY SURE THIS ISN'T THE AFTERLIFE.



WELL, AT LEAST I'M ALIVE. I SHOULD GET MOVING--
OOP--

MUST'VE TAKEN A HEAVIER BEATING THAN I THOUGHT.

001

# Chaos Emeralds

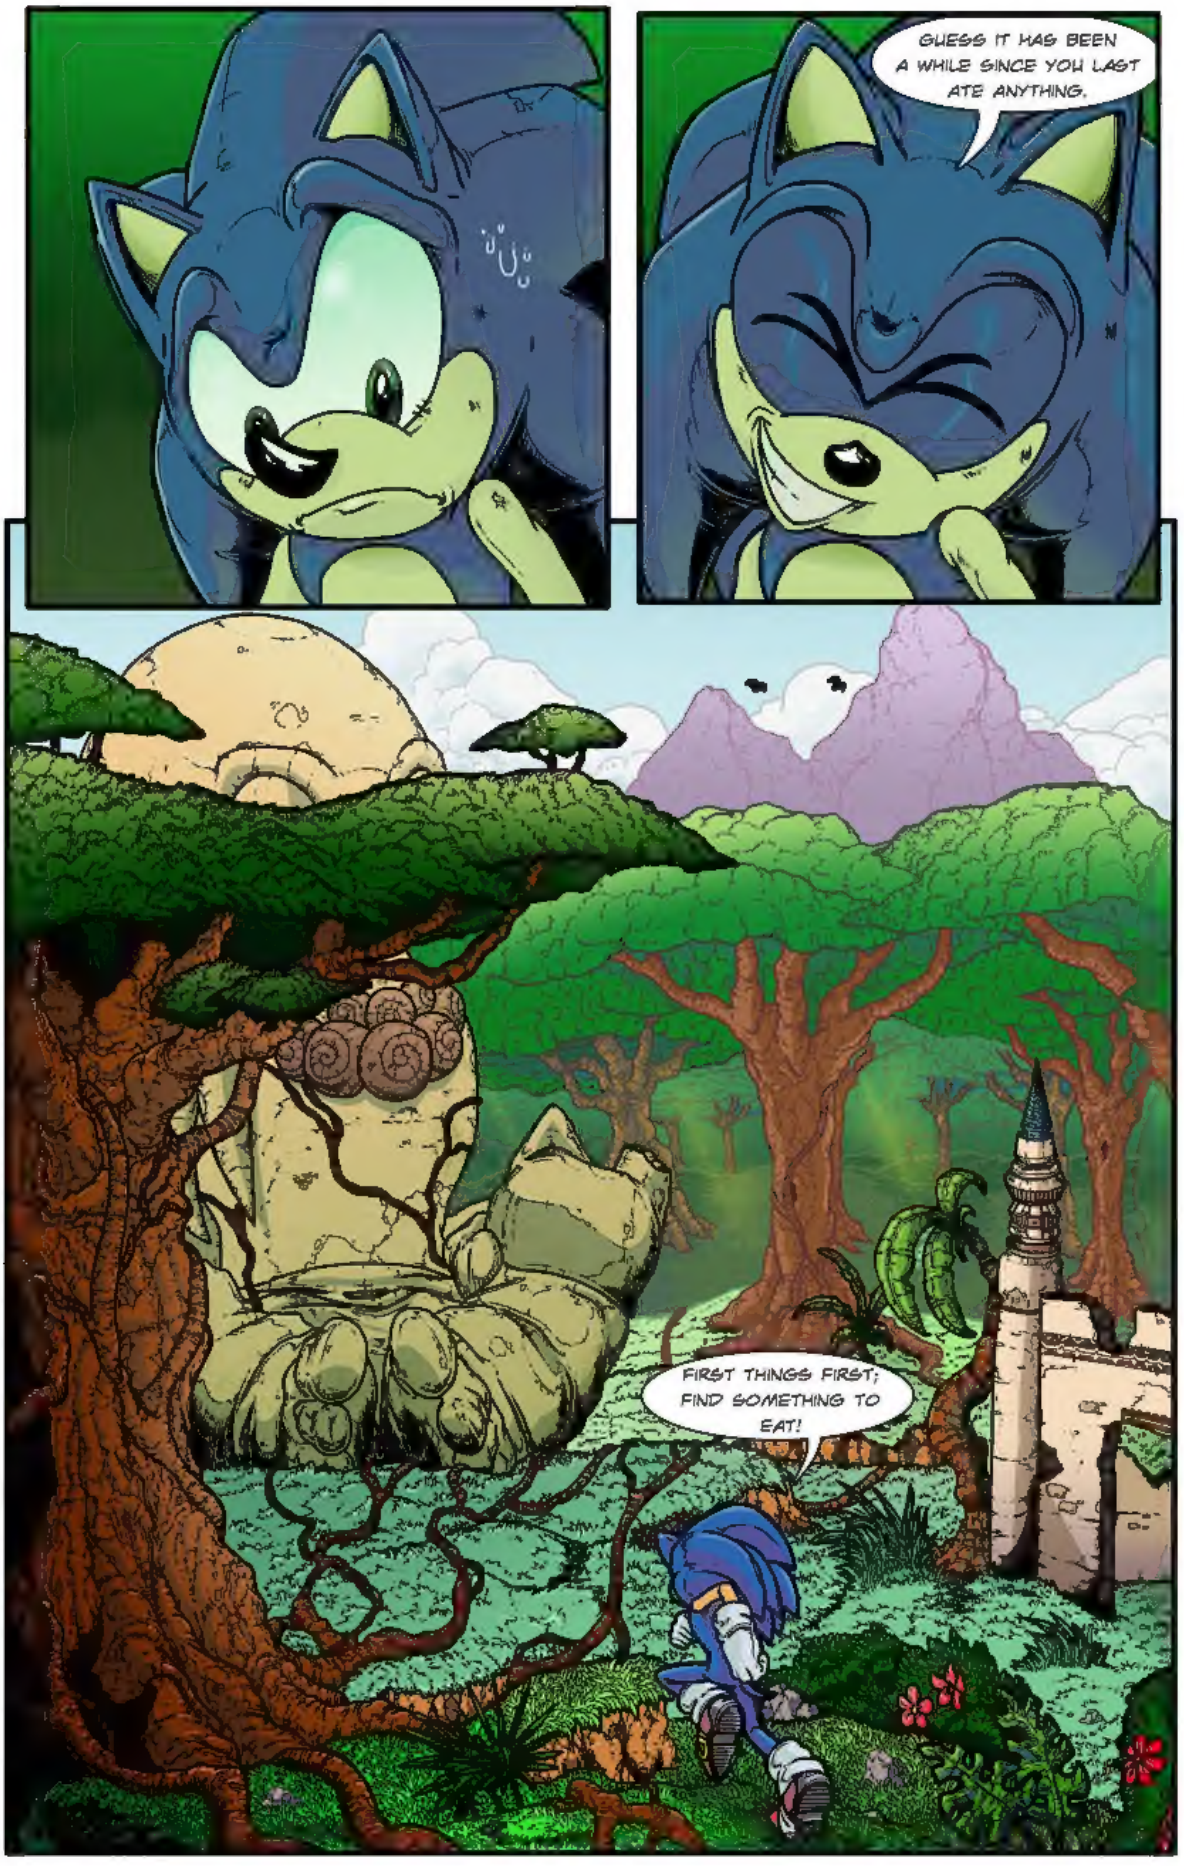
## ITEM

Art Made By: Dan Habiki

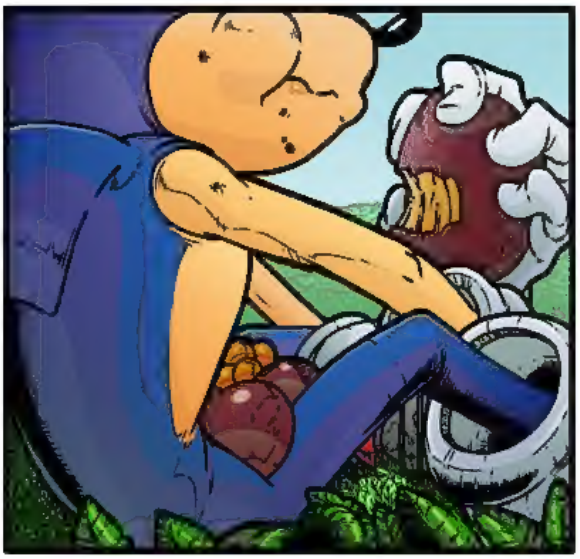
Several million years ago, a race of highly advanced beings traveling the stars came across a primordial planet. However, as the planet was incapable of sustaining life in its current state, they decided to speed up the process, and removed the engines from their colony ships. These engines were formed from refined raw energy known today as "Chaos Energy", making up the very fabric of the universe. With the help of massive focusing arrays they constructed in key locations, life started flourishing within a few millennia, becoming a lush, vibrant world.

While they are known today as Chaos Emeralds, their true origin and purpose have been lost to time, as countless civilizations have come and gone, turning once normal-if-fantastic tools into artifacts of forgotten legend. One theory even states they were once used to battle a cataclysmic threat, given the sheer energy they possess, but this has been written off as nothing more than a baseless theory...

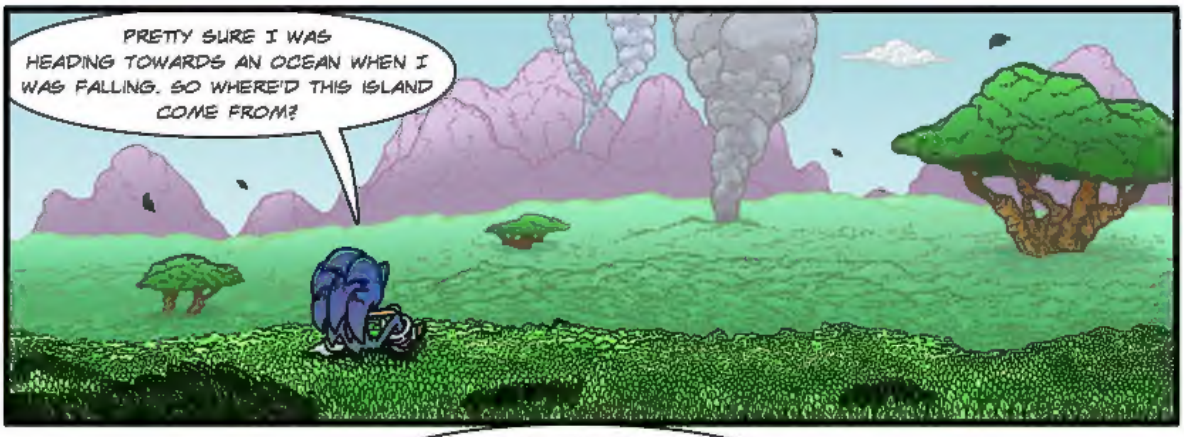
*"First Seen: Sonic Legacy Issue #5*



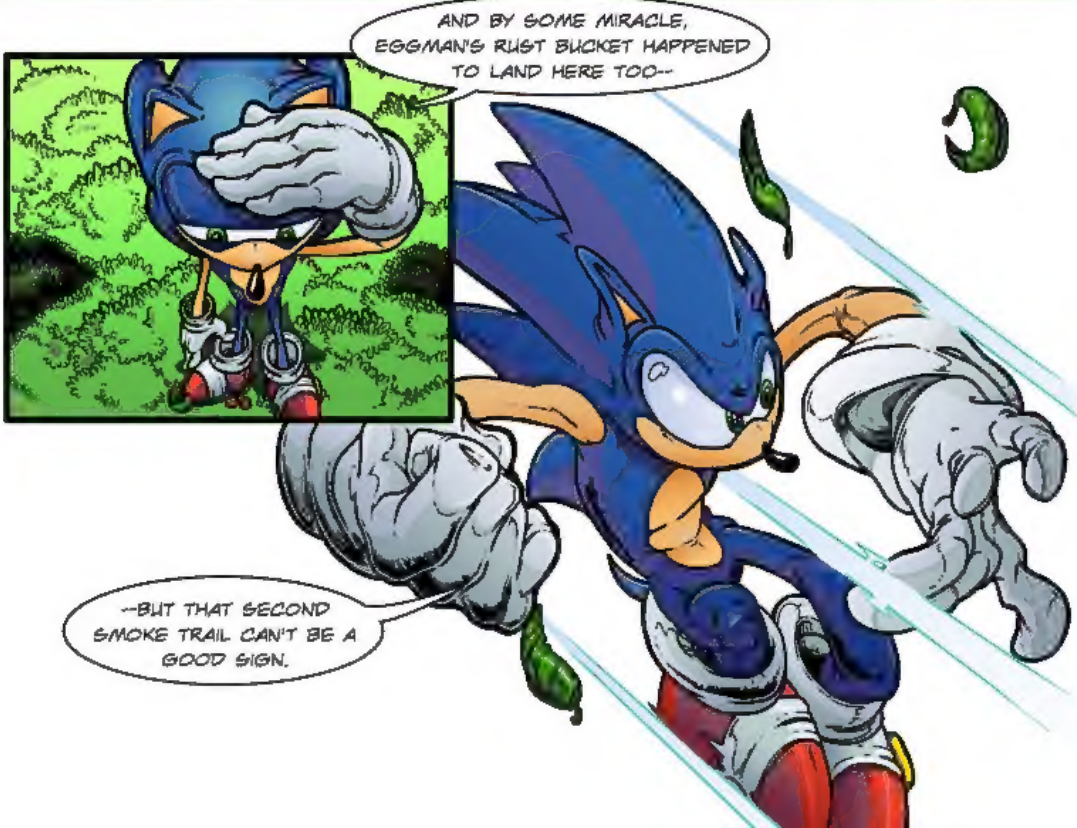
GUESS IT HAS BEEN A WHILE SINCE YOU LAST ATE ANYTHING.
FIRST THINGS FIRST; FIND SOMETHING TO EAT!



NEVER COULD FOCUS ON AN EMPTY STOMACH. MAYBE NOW I CAN FIGURE OUT WHERE I AM.
JUST ONE PROBLEM...



PRETTY SURE I WAS HEADING TOWARDS AN OCEAN WHEN I WAS FALLING. SO WHERE'D THIS ISLAND COME FROM?



AND BY SOME MIRACLE, EGGMAN'S RUST BUCKET HAPPENED TO LAND HERE TOO--
--BUT THAT SECOND SMOKE TRAIL CAN'T BE A GOOD SIGN.

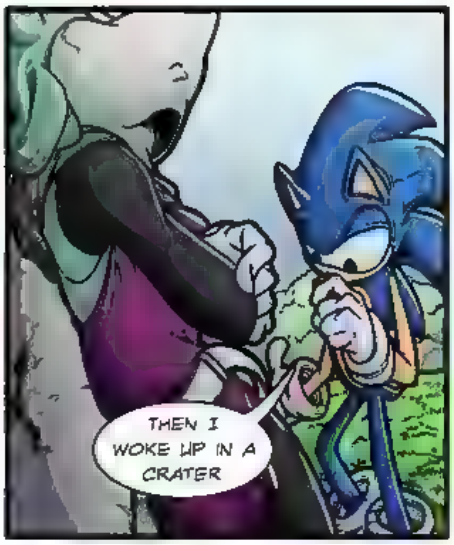
BETTER GO INTRODUCE MYSELF!
SOMETHING DOESN'T FEEL RIGHT ABOUT THIS.
WHAT--

OH BOY. ANYONE ALIVE? OR DEAD?
IF YOU'RE DEAD, DON'T ANSWER.
VERY MUCH ALIVE, THANKS.

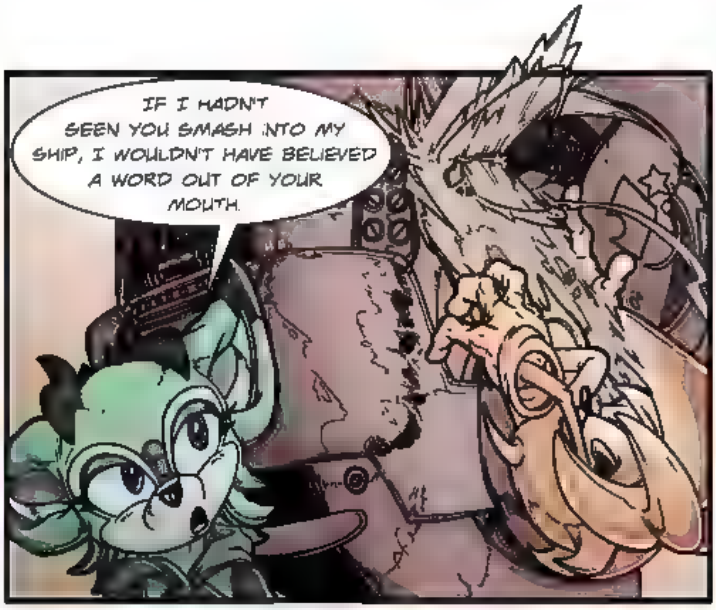
DO YOU LIVE IN THIS JUNGLE?
CAN'T SAY I DO. I'M A TOURIST THAT JUST GOT HERE
THE NAME'S SONIC.
CLOVE. HOW DID YOU GET HERE EXACTLY?
NOT SURE YOU'LL BELIEVE ME EVEN IF I TOLD YOU, BUT I THINK I DROPPED FROM SPACE .

SO THAT WAS YOU!
YOU WERE THAT GOLD BRICK THAT SMASHED INTO MY SHIP!
I RESENT THAT! I AIN'T THAT HEAVY!
WHATEVER. CARE TO TELL ME WHY MY SHIP APPARENTLY MADE FOR GOOD TARGET PRACTICE?

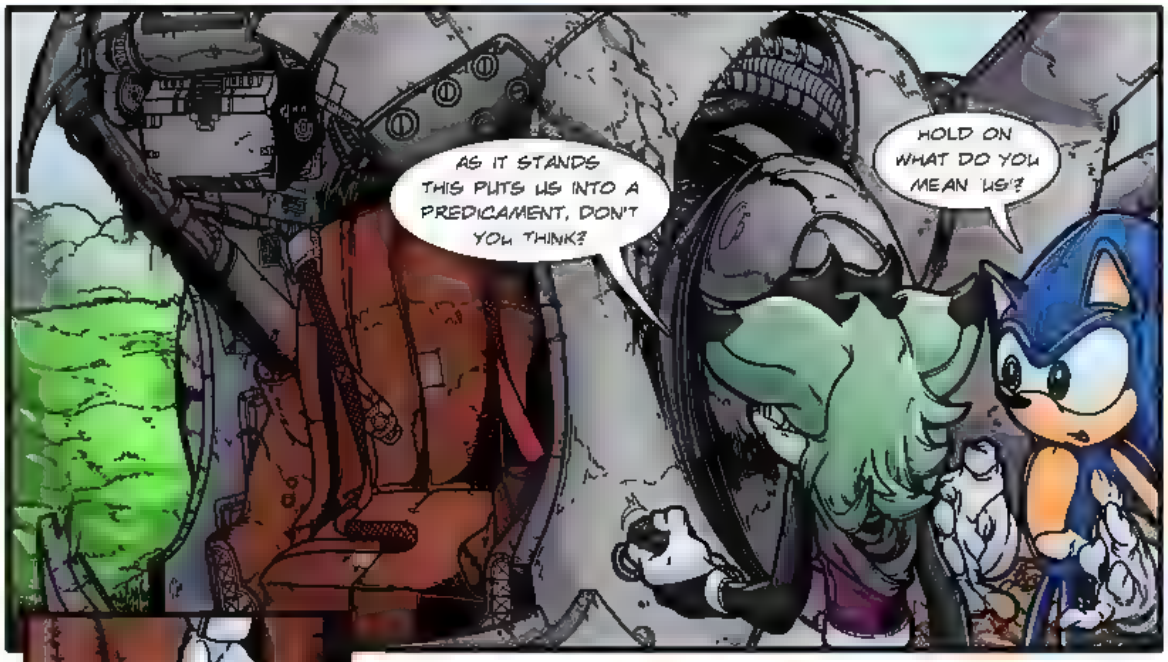
IT WASN'T LIKE I DID IT ON PURPOSE. THESE THINGS CALLED CHAOS EMERALDS, I GOT NEAR THEM AND I JUST WENT... BERSERK.
I JUST REMEMBER AT THE TIME THINKING, "IF ONLY I HAD MORE POWER"
THE PAIN WAS OVERWHELMING. I PASSED OUT AND THE LAST THING I RECALL WAS FALLING TOWARD THE PLANET



THEN I WOKE UP IN A CRATER

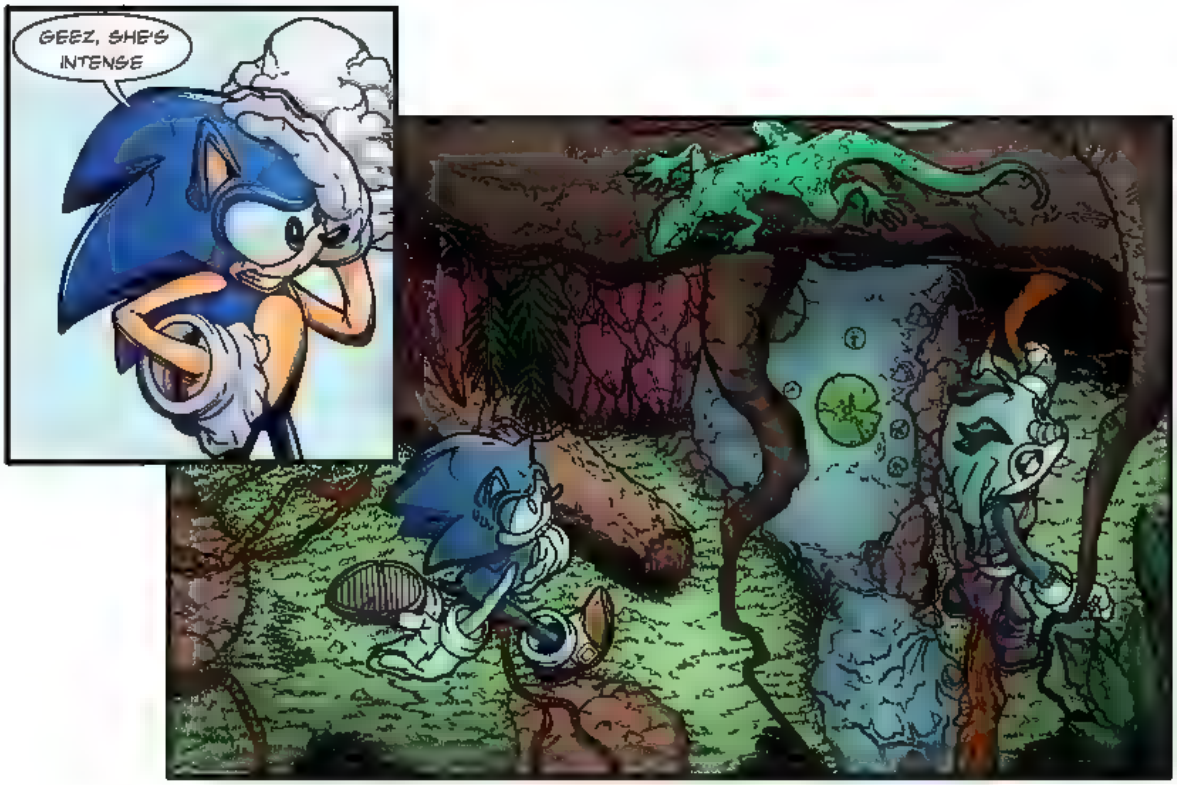


IF I HADN'T SEEN YOU SMASH INTO MY SHIP, I WOULDN'T HAVE BELIEVED A WORD OUT OF YOUR MOUTH.



AS IT STANDS THIS PUTS US INTO A PREDICAMENT, DON'T YOU THINK?
HOLD ON WHAT DO YOU MEAN US?

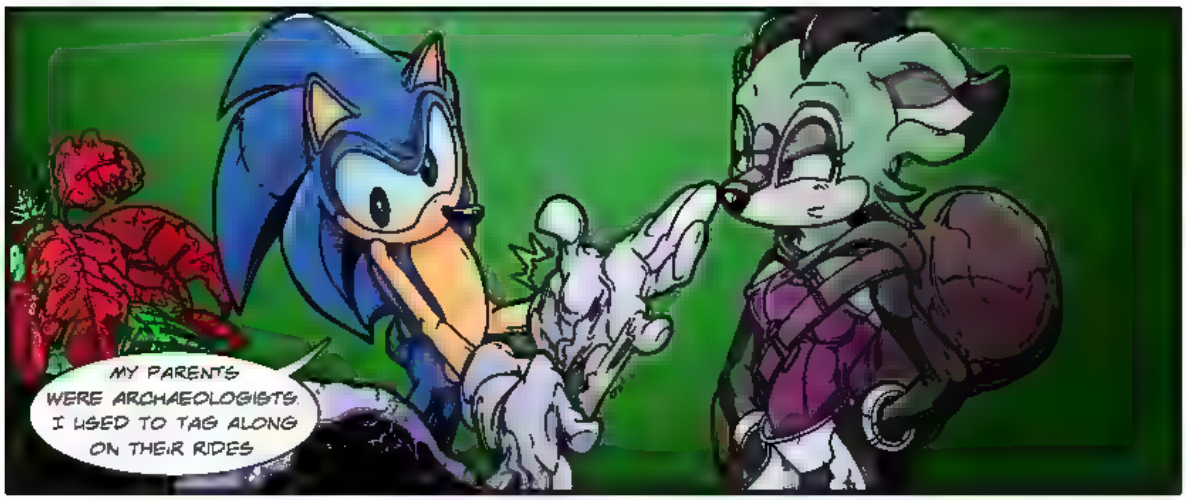
I THINK YOU AT LEAST OWE ME THE COURTESY OF TAGGING ALONG TO MAKE UP FOR WRECKING MY SHIP



GEEZ, SHE'S INTENSE

WHAT ABOUT YOU? WHY ARE YOU HERE?
I WAS ON MY WAY TO SEE MY SISTER.

WELL, SORRY ABOUT THAT.
INSTEAD OF TALKING ABOUT ME, MAYBE YOU CAN MAKE YOURSELF USEFUL
I CANVASSED THE AREA TO MAKE SURE THERE WAS NOTHING DANGEROUS, BUT I DID FIND THESE STRANGE STONES
STRANGE HOW?
THE DESIGNS ARE INTRICATE BUT ANCIENT. DO YOU HAPPEN TO KNOW ANYTHING?



MY PARENTS WERE ARCHAEOLOGISTS. I USED TO TAG ALONG ON THEIR RIDES

THIS STONE LOOKS LIKE IT CAME FROM THE MYSTIC RUINS. I THINK IT WAS THE ECHIDNA CAPITAL?

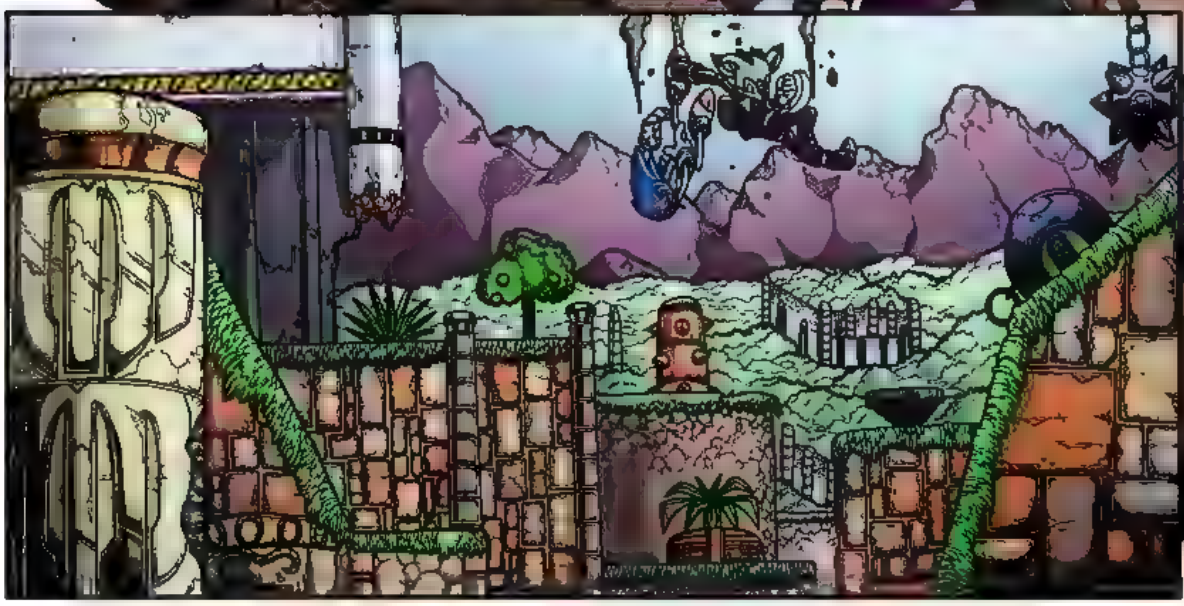
THE MYSTIC RUINS? HERE?

WEIRD, RIGHT? THE ECHIDNA'S WERE WIPED OUT BY SOME CALAMITY. LEGEND SAYS THE SURVIVORS LIFTED A MASSIVE CHUNK OF LAND INTO THE CLOUDS. ANGEL ISLAND, "THE LAND IN THE SKY."

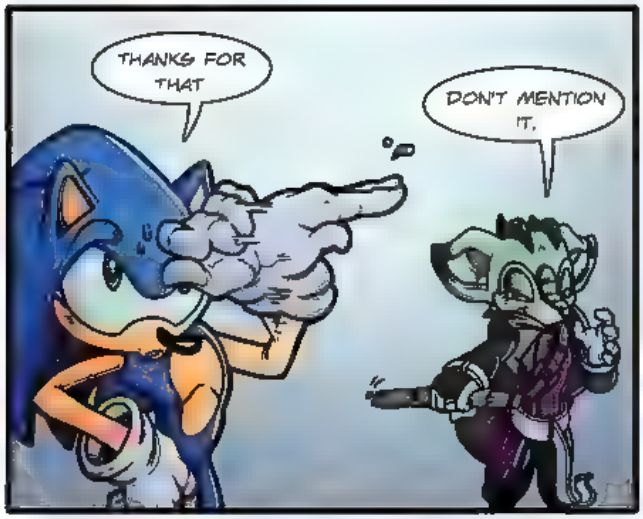
HOLD ON. YOU DON'T THINK WE'RE ON THAT SAME ISLAND, DO YOU?
WHAT? STRANDED ON AN ISLAND THAT DOESN'T EXIST?
I'D BE A LIAR IF I SAID THAT DIDN'T SOUND LIKE FUN
YOU'RE A STRANGE ONE
I'LL TAKE THAT AS A COMPLIMENT DEER LADY
PRONGHORN

I DON'T UNDERSTAND HOW AN ISLAND AS BIG AS THIS ONE COULD BE FLYING THROUGH THE AIR.
WHO KNOWS? SHAME WE CAN'T ASK ANY OF THE LOCALS--

SONIC, THE GROUND'S BREAKING!



GRAB MY HAND!
HANG ON, WE'RE SLOWING DOWN.
PHEW MAN



RELAX. CONSIDER MY POINT OF VIEW; WHAT IF YOU WERE WORKING AGAINST ME?

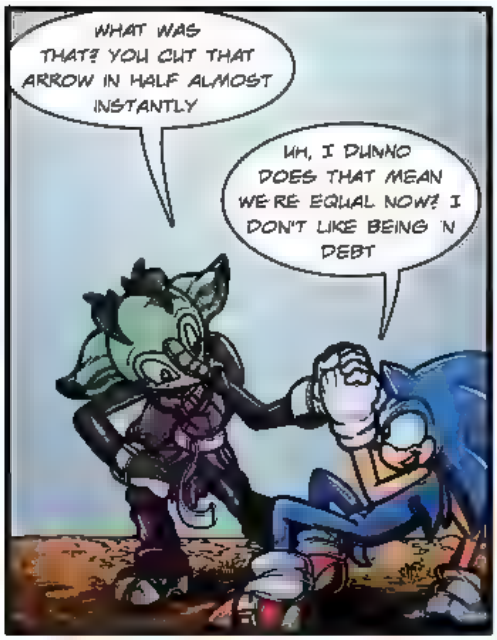
NOW WHO'S BEING PARANOID?

RIGHT NOW? I'D RATHER BE CAREFUL. NO IDEA WHO EGGMAN MIGHT HAVE IN HIS POCKET.

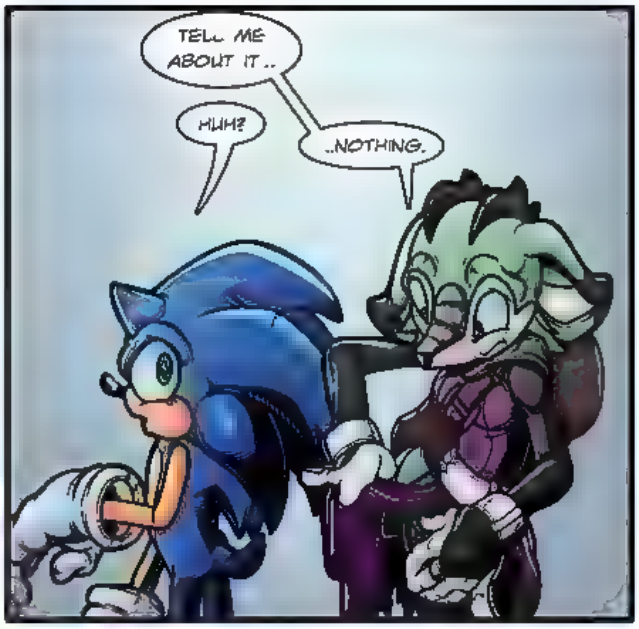
YOU'RE BEING PRESUMPTUOUS. I'VE NEVER EVEN MET THIS 'EGG MAN'

LADY, AFTER EVERYTHING I'VE BEEN THROUGH, I HAVE NO IDEA WHO--

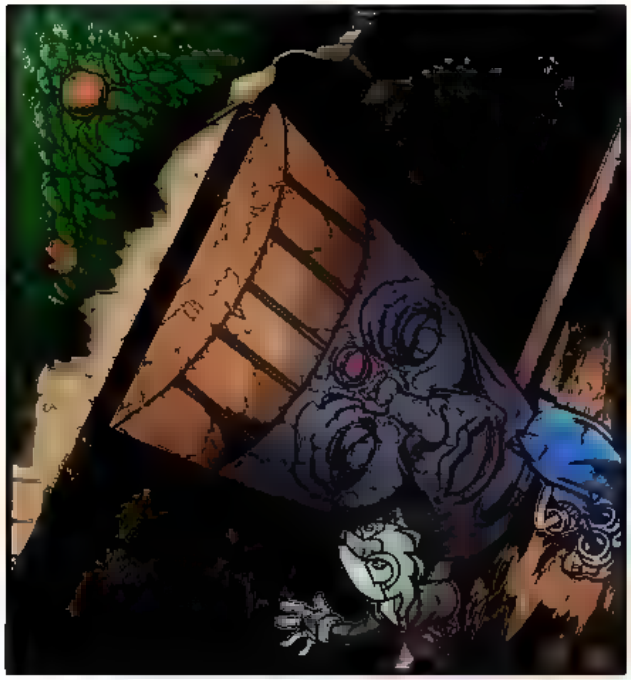
LOOK OUT!



WHAT WAS THAT? YOU CUT THAT ARROW IN HALF ALMOST INSTANTLY
UH, I DUNNO DOES THAT MEAN WE'RE EQUAL NOW? I DON'T LIKE BEING IN DEBT

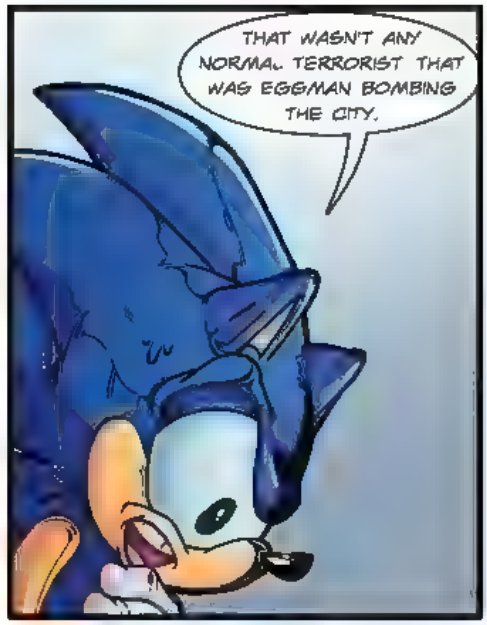


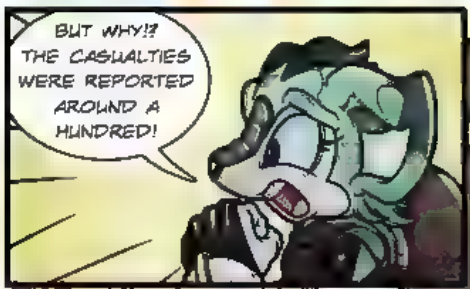
TELL ME ABOUT IT..
HUH?
..NOTHING.



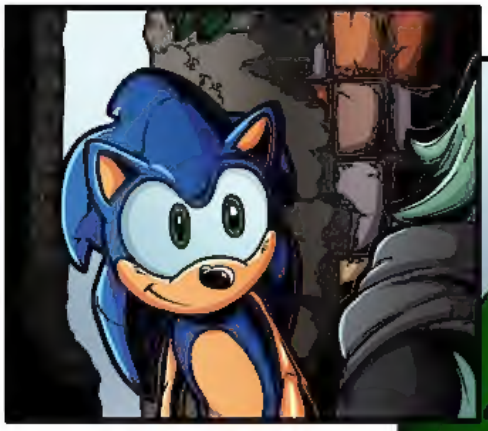
SO I'M SORRY
FOR WHAT?
FOR CALLING YOU SHADY JUST 'CUZ OF A DUMB SCYTHE. I'VE BEEN ON EDGE EVER SINCE THE MOBOTROPOLIS BOMBING

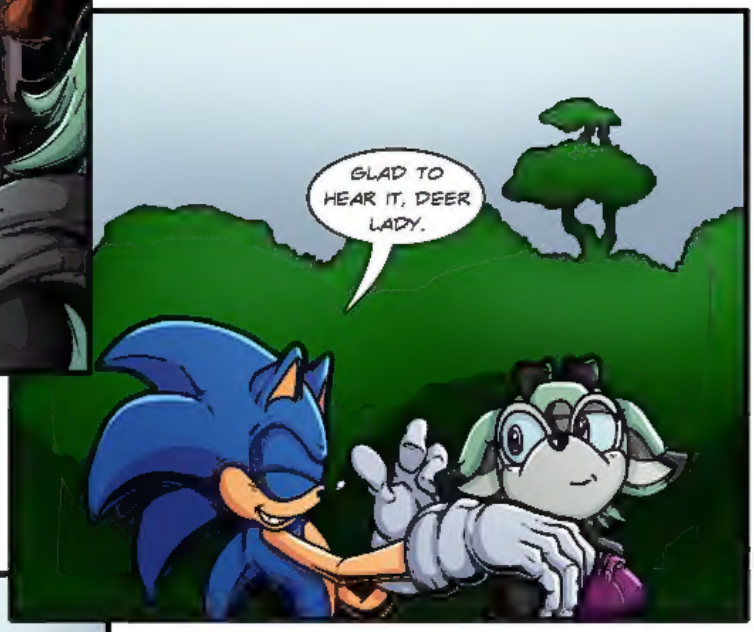
YOU WERE AT THE TERRORIST ATTACK?
WHAT? TERRORIST ATTACK?





HE'S NOTHING MORE THAN A DANGEROUS LUNATIC





GLAD TO HEAR IT, DEER LADY.

YOU'RE WELCOME, NEEDLEMOUSE.
MY NAME ISN'T--

STRANDED ON A MYTHICAL ISLAND IN THE SKY, SONIC HAS FORMED AN EASY IF SLIGHTLY TENUOUS ALLIANCE WITH THE MYSTERIOUS CLOVE. UNSURE OF HIS NEXT MOVE, THE TWO SET OUT TO EXPLORE THIS FORGOTTEN RELIC OUT OF TIME, HOPING TO FIND ANSWERS, AND FOR CLOVE, A WAY HOME. THE DOOMSDAY CLOCK HAS BEEN STOPPED. FOR NOW...

# From the Team

"Time to pass the reins down to Nine on the main story outlines! I'm still here providing ideas, but he's the one really working the meat of it now!"
- CelestOrion

"Speed running P-rank!" - VanessaSonica

"I don't like that steel chair Mobius Legacy #2 is holding..." - Fours

I dedicate this to my wonderful gorgeous wife, who's always been my biggest fan. Thank you for your love and support!" - Red Rabbit

"If you are reading this quote, then you will reach at the end of the sentence right about....."
- Loumin

"Trust me when I say you really don't want to know how much caffiene was consumed in the process of writing and re-writing this issue."
- Sunshine Nine

"My Strawberry shortcake is gone...WHY IS THE CAKE ALWAYS GONE?!"
- UrsineTimes

"My contribution to this issue is smaller, but nonetheless, I was satisfied with how the inner cover design turned out. My actual graphic design skills helped." - Speendlex

"Another two months, and another issue released! We're really happy that we've been able to honor our commitment to releasing issues bi-monthly, although we'd be happier if we were to someday do monthly releases. Maybe if we expand the team by a few members for each role, we could eventually meet that? We'll just have to see where the future takes us, but we're mighty thankful that you guys stuck around with us this whole time and continued to support the comic. You're the MVPs!"
- Sonic Legacy

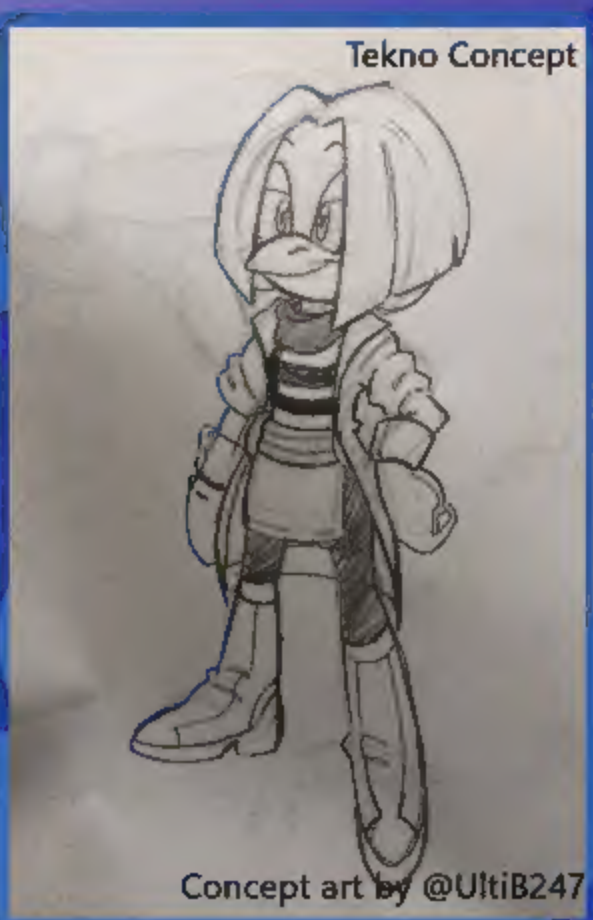
# SPECIAL DELIVERY ZONE

## FANART/ CONCEPT ART

Concept by @dolphincuisine



Tekno Concept

Concept art by @UltiB247

## LETTER

Hey there, readers! Special Delivery Zone is a new section we're adding to the end of each issue where fan mail for Legacy can be posted, as well as upcoming covers to the next issue, concept art for the characters and locations in the comic! There's a lot of new material just around the corner from us, so hang tight! If you want a letter featured in an issue, just send your mail to soniclegacysp@gmail.com and you could be seen!

"Will Legacy incorporate more elements from Sonic the Comic?"

- DCMadness05 (Email)

*Good question! We've already seen Tekno introduced in Issue 8, and we made her the lead researcher on Mobium, as our in-world equivalent to Megatal from StC. More may yet come down the line!t*

"Will the Legacy Team be adapting Secret Rings and Black Knight as side stories?"

- Blind as a Bat (Discord Server)

*Of course, however they will not be told the way that you may initially be expecting them to. Suffice to say, we're gonna have a lot of fun with the source material and how it plays out in the world Legacy has built up! Stay tuned!*

"So...South Island is a moving island in Legacy?"

- Utopian (Discord Server)

*South Island, as well as Westside Island, Christmas Island, Cocoa Island, and Angel Island, were all a part of the same landmass that broke off from Meridica a few millenia ago when the Perfect Chaos incident tore Angel Island from the landmass, and the other islands drifted apart over time to form a small archipelago a bit west from Liberica and Meridica! That's why each island has similar ruins as the others. Technically speaking, it moved!*

"Why did you create eggmans origin to make him look like a mis-understood good guy?"

- UserAnonymous12 (Discord Server)

*In the final scene of Sonic Adventure 2, we get to hear Eggman talk about Gerald in a positive light, how he admired his advancements in science, and how it inspired him to pursue the same. We wanted to try and fill in some context to that scene, and build a history where he once pursued those goals with a healthier mentality before the events of Mobius Legacy #1 shifted his perspective and his descent into madness. Who knows, we may even dive further into it as we go, so stay tuned!*
